Revised July 11, 2023

“ALTOGETHER MORE” FOR OVER 50 YEARS STRONG!

Locally-Owned and Operated

North Square, one of the many successful townhome communities Traton has built in metro-Atlanta over the past five plus decades.

Our commitment to building quality homes began in 1971 when two brothers, Bill and Milburn Poston, founded Traton Homes. From the very beginning, Traton was formed on strong family principles...even the name of the company was created from a combination of family names. Over the past nearly five decades, Traton Homes has continued to raise the bar through our commitment to building high quality homes of exceptional craftsmanship and value. Today, the second generation of Traton Homes is proud to continue that tradition. Thank you for visiting our community. We look forward to having you as part of the Traton family of homeowners.

Traton Founders, Milburn and Bill Poston with sons Chris and Clif Poston.
